DESCRIBING WHAT HAPPENED

THE FEELINGS

**IDENTITY:
WHAT DOES
THIS SAY
ABOUT ME?**

A 3D maze rendered in a dark, metallic, and grainy style. The maze is composed of interconnected rectangular paths that create a complex, winding structure. The lighting is dramatic, with strong highlights on the edges of the maze walls and deep shadows in the recessed areas, giving it a three-dimensional appearance. The overall color palette is dark, with shades of brown, black, and grey.
